

Notice Regarding Commencement of Operations at Sumitomo Mitsui Trust Asset Management Singapore

Sumitomo Mitsui Trust Asset Management Co., Ltd. (President: Yoshio Hishida; hereinafter “the Company”) hereby announces that its Singapore subsidiary, Sumitomo Mitsui Trust Asset Management Singapore Private Limited (“SuMiTAMS”), has begun operations on 9th July 2025. Following the establishment of the Company’s offices in London and New York, SuMiTAMS is its first office in Asia.

The newly established SuMiTAMS is a wholly owned subsidiary equipped with comprehensive investment research and client service capabilities. Singapore’s exceptional business environment and strategic location have established it as one of Asia’s premier international financial centers, attracting numerous institutional investors and high-net-worth individuals. By leveraging this strategic location, SuMiTAMS will serve as the Company’s operational base in the rapidly growing Asian region and deliver a diverse range of high-quality investment products.

From an asset management perspective, the Singapore office is also positioned as a vital hub to enhance the Company’s investment platform through collaboration with its global offices.
